

BROADWAY PROMENADE CONDOMINIUM ASSOCIATION, INC.
a Corporation-Not-For-Profit

MANDATORY EVACUATION RESOLUTION AND RULE

WHEREAS, BROADWAY PROMENADE CONDOMINIUM ASSOCIATION, INC., a Florida not-for-profit corporation (“Association”) is governed by a duly-elected board of directors (“Board”), which is responsible for the operation, administration, affairs, maintenance, and repair of BROADWAY PROMENADE, A CONDOMINIUM (the “Condominium”); and

WHEREAS, BROADWAY PROMENADE, A CONDOMINIUM is a condominium and is located in Sarasota County, Florida; and

WHEREAS, as of October 21, 2024, the Condominium is located in **Evacuation Level A – Red Evacuation Zone**, as follows:

WHEREAS, Section 718.1265, Florida Statutes (2024) (emphasis added) provides the Association certain emergency powers when there is a declared emergency, and provides in pertinent part as follows:

(1) To the extent allowed by law, unless specifically prohibited by the declaration of condominium, the articles, or the bylaws of an association, and consistent with s. 617.0830, the board of administration, in response to damage or injury caused by or anticipated in connection with an emergency, as defined in s. 252.34(4), for which a state of emergency is declared pursuant to s. 252.36 in the locale in which the condominium is located, may exercise the following powers:

(a) Conduct board meetings, committee meetings, elections, and membership meetings, in whole or in part, by telephone, real-time videoconferencing, or similar real-time electronic or video communication with notice given as is practicable. Such notice may be given in any practicable manner, including publication, radio, United States mail, the Internet, electronic transmission, public service announcements, and conspicuous posting on the condominium property or association property or any other means the board deems reasonable under the circumstances. Notice of decisions also may be communicated as provided in this paragraph.

(b) Cancel and reschedule any association meeting.

(c) Name as assistant officers persons who are not directors, which assistant officers shall have the same authority as the executive officers to whom they are assistants during the state of emergency to accommodate the incapacity or unavailability of any officer of the association.

(d) Relocate the association's principal office or designate alternative principal offices.

(e) Enter into agreements with local counties and municipalities to assist counties and municipalities with debris removal.

(f) **Implement a disaster plan or an emergency plan** before, during, or following the event for which a state of emergency is declared which may include, but is not limited to, shutting down or off elevators; electricity; water, sewer, or security systems; or air conditioners.

(g) Based upon advice of emergency management officials or public health officials, or upon the advice of licensed professionals retained by or otherwise available to the board, determine any portion of the condominium property or association property unavailable for entry or occupancy by unit owners, family members, tenants, guests, agents, or invitees to protect the health, safety, or welfare of such persons.

(h) **Require the evacuation of the condominium property in the event of a mandatory evacuation order in the locale in which the condominium is located. Should any unit owner or other occupant of a condominium fail or refuse to evacuate the condominium property or association property where the board has required evacuation, the association shall be immune from liability or injury to persons or property arising from such failure or refusal.**

(i) Based upon advice of emergency management officials or public health officials, or upon the advice of licensed professionals retained by or otherwise available to the board, determine whether the condominium property, association property, or any portion thereof can be safely inhabited, accessed, or occupied.

However, such determination is not conclusive as to any determination of habitability pursuant to the declaration.

(j) Mitigate further damage, injury, or contagion, including taking action to contract for the removal of debris and to prevent or mitigate the spread of fungus or contagion, including, but not limited to, mold or mildew,

by removing and disposing of wet drywall, insulation, carpet, cabinetry, or other fixtures on or within the condominium property, even if the unit owner is obligated by the declaration or law to insure or replace those fixtures and to remove personal property from a unit.

(k) Contract, on behalf of any unit owner or owners, for items or services for which the owners are otherwise individually responsible, but which are necessary to prevent further injury, contagion, or damage to the condominium property or association property. In such event, the unit owner or owners on whose behalf the board has contracted are responsible for reimbursing the association for the actual costs of the items or services, and the association may use its lien authority provided by s. 718.116 to enforce collection of the charges. Without limitation, such items or services may include the drying of units, the boarding of broken windows or doors, the replacement of damaged air conditioners or air handlers to provide climate control in the units or other portions of the property, and the sanitizing of the condominium property or association property, as applicable.

(l) Regardless of any provision to the contrary and even if such authority does not specifically appear in the declaration of condominium, articles, or bylaws of the association, levy special assessments without a vote of the owners.

(m) Without unit owners' approval, borrow money and pledge association assets as collateral to fund emergency repairs and carry out the duties of the association when operating funds are insufficient. This paragraph does not limit the general authority of the association to borrow money, subject to such restrictions as are contained in the declaration of condominium, articles, or bylaws of the association.

(2) The special powers authorized under subsection (1) shall be limited to that time reasonably necessary to protect the health, safety, and welfare of the association and the unit owners and the unit owners' family members, tenants, guests, agents, or invitees and shall be reasonably necessary to mitigate further damage, injury, or contagion and make emergency repairs.

(3) Notwithstanding paragraphs (1)(f)-(i), during a state of emergency declared by executive order or proclamation of the Governor pursuant to s. 252.36, an association may not prohibit unit owners, tenants, guests, agents, or invitees of a unit owner from accessing the unit and the common elements and limited common elements appurtenant thereto for the purposes of ingress to and egress from the unit and when access is necessary in connection with:

(a) The sale, lease, or other transfer of title of a unit; or

(b) The habitability of the unit or for the health and safety of such person unless a governmental order or determination, or a public health directive from the Centers for Disease Control and Prevention, has been issued prohibiting such access to the unit. Any such access is subject to reasonable restrictions adopted by the association.

WHEREAS, the Board of Directors of the Association believes it is of fundamental importance to undertake advanced planning in preparation for the impacts of hurricanes and hurricane season so that all members, tenants, residents, and other occupants may timely plan their personal affairs and evacuation accordingly; and

WHEREAS, due to the potentially devastating effect of a hurricane or tropical storm, the Association intends to lock-step the Board's issuance of a mandatory evacuation of the condominium property and units to Sarasota County's declaration of a mandatory evacuation order for the area in which the Condominium is located; and

WHEREAS, the Association encourages all members, residents, tenants, and other occupants to make a plan now in order to promptly evacuate the condominium property and units and stay with a friend or relative by arranging

a "host home" outside the evacuation level and/or plan to promptly evacuate to an approved Sarasota County Evacuation Center.

(<https://www.scgov.net/government/emergency-services/emergency-management/evacuation-centers>)

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors ("Board") of the Association as follows:

SECTION 1: THAT while the Board will endeavor to hold a Board meeting upon such notice as is practicable in each such instance and ratify and approve the implementation of the Association's disaster plan and require the evacuation of the condominium property and units, the specific facts and circumstances surrounding the emergency and the physical location of the directors may not allow such a Board meeting to timely occur.

SECTION 2: SO THAT all members, tenants, residents, and other occupants of BROADWAY PROMENADE, A CONDOMINIUM may plan accordingly, the Board hereby declares and orders that the condominium property and units must be evacuated within twelve (12) hours after the issuance of a mandatory evacuation order by Sarasota County, Florida for the Evacuation Zone in which your condominium unit is located.

SECTION 3: THAT the Association encourages all members, tenants, residents, and other occupants to make a plan now in order to promptly evacuate the condominium property and units and stay with a friend or relative by arranging a "host home" outside the evacuation level or plan to evacuate to an approved Sarasota County Evacuation Center.

SECTION 4: THAT when a mandatory evacuation order is issued by Sarasota County for your Evacuation Zone, and you do not evacuate, you should be prepared to be without power, water, fire rescue, law enforcement, or emergency medical support until winds and waters subside.

SECTION 5: THAT Association employees and contractors have been assigned specific tasks to perform to implement the Association's disaster plan before or immediately following the event for which a state of emergency is declared which may include, but is not limited to, shutting off electricity to the common elements and recreational facilities, water, sewer, security systems or common element air conditioners, and will NOT be available to assist you with your evacuation or otherwise.

SECTION 6: THAT the Association will not physically remove or force the removal of any person who refuses to evacuate the Condominium; however, should any member, tenant, resident, or other occupant fail or refuse to timely evacuate, the Association is immune from liability or injury to persons or property arising from such failure or refusal.

The Board of Directors of **BROADWAY PROMENADE CONDOMINIUM ASSOCIATION, INC.**, a Florida not-for-profit corporation, adopted this Mandatory Evacuation Resolution and Rule at a properly and duly-noticed Board meeting held on the 1 day of November, 2024.
