9. **Delays.** Renovia shall be entitled to an equitable adjustment in the Contract Price including reasonable overhead and profit and an extension of the completion time for any modification of the construction schedule and for any other delays, accelerations and impacts to the Work that were due to causes beyond Renovia's reasonable control including but not limited to those caused by labor disputes, fires, floods, acts of God or government, adverse weather, wars, embargos, transportation and vendor delays, or delays caused by Customer, its separate contractors or others.

10. **Change Orders.** Renovia may also suggest or Customer may also order changes in the Work or the timing or sequencing of performance of the Work that impacts the Contract Price or the completion time. All such changes in the Work that affect the completion time or Contract Price shall be formalized in a written Change Order. Customer and Renovia shall negotiate in good faith an appropriate adjustment to the Contract Price and/or completion time and shall conclude these negotiations as expeditiously as possible. Acceptance of the Change Order and any adjustment in the Contract Price or the completion time shall not be unreasonably withheld. Renovia shall not be obligated to perform changes in the Work that impact the Contract Price or the completion time until a Change Order has been executed by the parties.

11. **Payments.** Renovia shall periodically submit to Customer an invoice for payment based on the Work performed as of the date of submission of the invoice. Invoices shall include payment requests on account of any Change Orders. Customer shall pay the amount due on any invoice in accordance with the payment terms set forth in the Proposal (or if none, then payment shall be made within thirty (30) days of Customer's receipt of the Renovia's invoice). 12. **Final Payment.** Claims not reserved by Customer in writing with the making of final payment shall be waived except for claims relating to liens or similar encumbrances or warranties.

13. **Delay in Payment.** If Renovia does not receive a progress payment from Customer when such payment is due, Renovia, upon giving three (3) days' written notice to Customer and without prejudice to and in addition to any other legal remedies, may stop the Work until payment of the full amount owing to Renovia has been received. In such an event, the Contract Price and completion time shall be equitably adjusted by Change Order for Renovia's reasonable additional costs and delay resulting from the shutdown, delay and start-up. Any amounts not timely paid shall bear interest at the rate of 1.5% per month from the due date until paid, and Renovia shall be entitled to recover any costs of collection of these overdue amounts including its reasonable attorney fees.

14. **Termination by Renovia.** Should Customer fail to pay Renovia amounts owed per the Agreement or is otherwise in material breach of the terms of this Proposal, Renovia may, without prejudice to any other rights or remedies of Renovia, after three (3) days advance written notice to Customer and provided Customer fails to pay such amounts owed to Renovia or otherwise fails to remedy its material breach within this three (3) day notice period, terminate this Agreement for cause by sending written notice to Customer. In the event of such termination for cause by Renovia, Renovia shall be promptly compensated by Customer for the Work performed up through such termination, any cancellation or restocking fees and any other damages incurred by Renovia. Renovia shall have no further obligation or responsibilities under the Agreement and/or with respect to the Work or Project.

15. **Dispute Resolution.** This Proposal shall be deemed created in, governed by, and construed and enforced in accordance with, the laws of the State of Indiana without regard to its conflicts of law principles. Any lawsuit or other litigation relating to this Agreement filed by either party must be filed and tried in the Indiana Commercial Court located in Marion County, Indiana or, if the Commercial Court does not exist, in a State or Federal court located in Marion County, Indiana.

16. **Damage Limitation.** Customer agrees that Renovia shall not be liable for any indirect, special, incidental, consequential or liquidated damages related to or arising out of this Agreement or the performance of the Work. Customer waives its claims and/or right to claim any and all such damages against Renovia. Customer agrees that under no circumstances shall Renovia be liable for damages in excess of the Contract Price as modified by any Change Orders.

17. **Extent of Agreement.** This Agreement is for the exclusive benefit of the parties and not for the benefit of any third party. This Agreement represents the entire and integrated agreement between the parties, and supersedes all prior negotiations, representations, requests for proposal or agreements, either written or oral. If any term or provision of this Agreement is found by the court to be invalid, illegal or otherwise unenforceable, the remaining provisions shall remain in full force and effect.

18. **Waiver.** The delay or failure by Renovia to exercise or enforce any right hereunder shall not constitute or be deemed a waiver of such right or any other right under this Agreement. No waiver by Renovia of any breach of this Agreement shall constitute or be deemed a waiver of any subsequent breach.

19. **Assignment.** Except as to the assignment of proceeds, Customer may not assign or transfer its interest in this Agreement, in whole or in part, without the written consent of Renovia. The Terms of this Agreement shall be binding upon both parties, their partners, successors, assigns, and legal representatives.
