And a Snack to share

The Broadway WiFi network has been upgraded with next generation "hotspots" that broadcast at faster speeds and to a larger area. The old equipment, that's been phased out by the manufacturer, has been meshed with the newer so there has not been any dropped signals.

The onetime use fee for a hotspot in a unit is still the same: \$200.00.

Questions about the Broadway network can be sent to bpirollo@yahoo.com

Hello Broadway Owners and Residents,

All affected Chinese drywall units on the 6th floor have passed the GFA government inspection and are now clear of all Chinese drywall.

Currently, everything is on track for the project to be completed by the end of September.

We appreciate all your patience and cooperation during this project.

Summer GRILLING

Don't forget to take advantage of the 2 large gas grills out by pool! Just reserve a grill with the concierge desk for any day or night you plan to cook out.

Grilling fresh foods can be a delightful summer treat. Many locally grown fruits and vegetables come in season this time of year. Shop the **Sarasota Farmer's Market** downtown on Saturday and grill your fresh finds all week long. Be sure to pass along your favorite recipes to your neighbors!

Here's an easy one using some summer veggies:

Grilled Zucchini and Squash

- 2 zucchini (about 1 pound)
- 2 yellow squash (about 1 pound)
- 2 yellow bell peppers, seeds and ribs removed
- 1/4 cup olive oil
- Salt and pepper
- 1/4 cup thinly sliced fresh basil

Directions:

1. Heat grill to medium. Slice zucchini and squash 1/2 inch thick diagonally. Quarter bell peppers.
 2. In a large bowl, toss vegetables with oil; season with salt and pepper.
 3. Grill vegetables until tender, 6 to 8 minutes per side.
- Return vegetables to bowl; toss with basil.

Fourth of July

The Fourth of July is a time to step back and be appreciative of the great freedoms that we enjoy because of the sacrifices and commitments made by many Americans that have served and currently serve our wonderful country.

Quotes to Ponder as we Celebrate our Freedom

Liberty, taking the word in it's concrete sense, consists of the ability to choose.

Everything that is really great and inspiring is created by the undivided who can labor in freedom.

For what avail the plough or rail, or land or life, if freedom fail?

Those who won our independence believed liberty to be the secret of happiness and courage to be the secret of liberty.

You can't separate peace from freedom because no one can be at peace unless he has his freedom,

In the process of gaining our rightful peace, we must not be guilty of wrongful deeds. Let us not seek to satisfy our thirst for freedom by drinking from the cup of bitterness and hatred. We must forever conduct our struggle on the high plane of dignity and discipline.

A real patriot is the fellow who gets a parking ticket and rejoices that the system works.

A thoughtful mind, when it sees a Nation's flag, sees not the flag only, but be it's symbols, it's insignia, he reads chiefly in the flag the Government, the principles, the truths, the history which belongs to the Nation that sets it forth.
